What accomplishments/progress has your Affiliate made in the past year? (Consider member resources, awards and recognition, public affairs, etc.)

We were proud to work alongside other Northeastern affiliates to help coordinate the Annual Session in Providence, RI in 2023. We have had award winners, and we have had a growing interest among our colleagues in the activities of NEAFCS.

What are your Affiliate's goals for the next 12 months?

We are recruiting! We want to grow our affiliate and be more participatory in events such as PILD and JCEP.

What challenges do Cooperative Extension and/or Family & Consumer Sciences face in your state?

Lack of recognition of the importance of FCS. We hardly stand a chance to shine when constantly competing for funds against 4H and AG.

To assist NEAFCS in future planning and communication, please list concerns your Affiliate has for the NEAFCS Board to address:

I would say the challenges listed above apply here, as well. More regional communication would not be scoffed at.
